**REAL ESTATE ACQUISITION AGREEMENT
(University of Kansas)**

THIS AGREEMENT (“**Agreement**”) dated this ____ day of _____, 2000, by and between the **KANSAS STATEWIDE PROJECTS DEVELOPMENT CORPORATION**, a public body politic and corporate and an independent instrumentality of the State of Kansas existing pursuant to Section 74-8901 et seq., of the Kansas Statutes Annotated, as amended (“**KSPDC**”), **THE UNIVERSITY OF KANSAS** (“**KU**”), and **THE OZ ENTERTAINMENT COMPANY**, a Delaware corporation (“**OEC**”) (KSPDC, KU and OEC are sometimes hereinafter collectively referred to as the “**Parties**”).

WHEREAS, the Sunflower Army Ammunition Plant, owned by the United States of America (the “**Government**”), is located on 9,065 acres, more or less, near DeSoto, Kansas, in Johnson County; and

WHEREAS, pursuant to the terms of Section 484(e)(3)(H) of Title 40, United States Code, KSPDC proposes to enter into an agreement with the Government to acquire all right, title and interest in and to portions of the Sunflower Army Ammunition Plant, including the Donation Property as defined below (such portions are hereinafter referred to as the “**SFAAP**”); and

WHEREAS, KSPDC proposes to enter into an agreement with OEC pursuant to which KSPDC will convey title to such portion of the SFAAP, subject to its prior receipt of such title from the Government, to OEC for economic development purposes; and

WHEREAS, OEC has represented to KU that OEC intends to donate to KU the Donation Property (as hereinafter defined) which shall, upon donation, be benefited by the covenant set forth in Section 9620(h)(3) of Title 42, United States Code; and

WHEREAS, in connection with the disposition of the SFAAP, and upon application (the “**Transfer Application**”) by KU to the U.S. Department of Education (“**DOE**”), the DOE has either denied or only partially approved a transfer to KU of a public benefit conveyance consisting of the real property and improvements located within the boundaries of SFAAP as more particularly described on Exhibit A attached hereto and made a part hereof (hereinafter, the “**Application Property**”); and

WHEREAS, the donation by OEC of the real property and improvements described on Exhibit B attached hereto (the “**Donation Property**”) to KU satisfies KU’s need for real property which KU had sought pursuant to the Transfer Application; and

WHEREAS, the deed delivered by OEC conveying the Donation Property to the Kansas Board of Regents (the “**Regents**”) for the benefit of KU will contain the covenant set forth in Section 9620(h)(3)(A)(ii) of Title 42, United States Code; and

WHEREAS, KU desires to reduce or eliminate any future expenses associated with the Transfer Application and the Donation Property; and

WHEREAS, in reliance on OEC's representations that OEC will donate to KU the Donation Property, KU will release and relinquish all rights, however remote or speculative, that KU may have to receive Donation Property from the Government including all rights, if any, obtained pursuant to the Transfer Application; and

WHEREAS, but for the conveyance by OEC of the Donation Property to the Regents for the benefit of KU, KU would not release and relinquish its existing rights, if any, to acquire the Application Property; and

WHEREAS, the Parties acknowledge that the deed from OEC conveying the Donation Property to the Regents for the benefit of KU shall contain certain restrictions, including, but not limited to, KU's agreement that the Donation Property shall remain subject to and a part of the "redevelopment district" as established pursuant to KSA § 79-8921 ("**Deed Restrictions**"), the details of which appear in the Deed (as hereinafter defined).

NOW, THEREFORE, relying on the representations set forth above, the Parties agree as follows:

1. **Incorporation of Recitals.** The recitals set forth above are hereby incorporated into and made a part of this Agreement.

2. **Limited Obligations.**

(a) **KSPDC.** The parties agree that under no circumstances shall KSPDC assume responsibility or otherwise be responsible for any environmental remediation which may be required to be performed with respect to the SFAAP or any portion thereof.

(b) **KU.** The parties agree that under no circumstances shall KU and/or the Regents assume responsibility or otherwise be responsible for any environmental remediation which may be required to be performed with respect to environmental contamination existing on the SFAAP or any portion thereof.

3. **Acquisition of Donation Property - In General.** On the date that KSPDC obtains from the Government a conveyance of the SFAAP or the initial portion thereof, (i) KSPDC shall transfer to OEC the SFAAP or such portion thereof (the "**First Closing**"); (ii) KU shall deliver a written notice in the form of Exhibit C attached hereto (the "**DOE Notice**") addressed to DOE withdrawing the Transfer Application; and (iii) KU shall deliver a written release to OEC in the form of Exhibit D attached hereto (the "**KU Release**") releasing all of its rights, if any, in and to the SFAAP, other than the Donation Property (the DOE Notice and the KU Release are sometimes herein collectively referred to as the "**KU Release Documents**").

4. **First Closing Date/Expiration Date.** KSPDC shall give not less than 10 business days prior written notice (the "**Notice of First Closing**") to KU and OEC of the date that KSPDC is prepared to conduct the First Closing (the "**First Closing Date**"); provided,

however, that the First Closing Date must occur within one hundred eighty (180) days after Congressional Approval (as such term is defined in that certain Memorandum of Agreement (the “**Conveyance Agreement**”) between the United States of America, acting by and through the General Services Administration and KSPDC for the Conveyance of Land and Donation Property Comprising the Former Sunflower Army Ammunition Plant, Johnson County, Kansas, dated _____, 2000) (the “**Termination Option Date**”). If the First Closing Date has not occurred by the Termination Option Date, this Agreement, at the option of KSPDC or KU, shall expire and this Agreement shall be null and void and KU shall not be deemed to have waived any rights KU might otherwise have under the Transfer Application. KSPDC, KU and OEC acknowledge that it is KSPDC’s intent that the First Closing Date occur on the same day on which KSPDC obtains a conveyance of the SFAAP or any portion thereof from the Government and, accordingly, if necessary the date set forth in the Notice of First Closing may be reasonably adjusted so that the First Closing hereunder coincides with any changes made to the closing date for the transfer of the SFAAP (or a portion thereof) to KSPDC. KSPDC shall provide prior written notice of any such adjustment to KU and OEC.

5. **Final Closing Date.** The Final Closing (hereinafter defined) shall occur within three hundred seventy (370) days following the date on which the covenant set forth in Section 9620(h)(3)(A)(ii) of Title 42, United States Code will apply to the Donation Property (the “**Final Closing Date**”).

6. **Deliveries from OEC.** On the Final Closing Date (i) OEC shall deliver a quitclaim deed (the “**Deed**”), together with evidence of payment by OEC of all transfer taxes and recording fees, if any, conforming in form and substance to Exhibit E, which shall be recorded, and (ii) OEC shall be obligated to deliver to KU, at the cost of OEC, a title insurance policy from Assured Quality Title Company, showing title to the Donation Property in the name of the Regents for the benefit of KU, and insuring good and merchantable title in the name of the Regents for the benefit of KU, free and clear of all liens, encumbrances, covenants, conditions and restrictions, except for the Deed Restrictions and such other matters which do not prohibit, impair or otherwise encumber KU’s use and occupancy of the Donation Property as provided herein (the “**Final Closing**”).

7. **Failure of Conditions.** In the event that the First Closing Date shall fail to occur by the Termination Option Date, and KU or KSPDC elect to terminate this Agreement, then, it is understood and agreed, that KU shall not be deemed to have released any of its rights in and to the Application Property under the Transfer Application or otherwise.

8. **No Obligation to Acquire.**

(a) **KSPDC.** This Agreement shall not impose on KSPDC any obligation to acquire SFAAP or any portion thereof. Rather, this Agreement shall only obligate KSPDC to convey such property to OEC in the event KSPDC obtains a conveyance of such property from the Government. KSPDC shall retain absolute discretion as to whether, when or upon what terms it may acquire SFAAP or any portion thereof from the Government. OEC and KU agree that they will not in any event seek to compel KSPDC to acquire title to SFAAP or any portion thereof from the Government or seek any remedies against KSPDC for any failure of KSPDC to acquire the Donation Property.

(b) **OEC.** This Agreement shall not impose on OEC any independent obligation to acquire SFAAP or any portion thereof. Rather, this Agreement shall only obligate OEC to convey the Donation Property to the Regents for the benefit of KU in the event OEC obtains a conveyance of such property from KSPDC. Prior to the execution of a written agreement with KSPDC to obtain the SFAAP, OEC shall retain absolute discretion as to whether, when or upon what terms it may acquire SFAAP or any portion thereof from KSPDC. KSPDC and KU agree that absent KSPDC's acquisition of the SFAAP from the Government, they will not in any event seek to compel OEC to acquire title to SFAAP or any portion thereof from KSPDC or seek any remedies against OEC for any failure of OEC to acquire the Donation Property.

9. **Covenants, Warranties and Representations of the KSPDC.** KSPDC hereby represents, warrants and covenants, and KU and OEC do rely on the following representations, warranties and covenants, all of which shall survive the Closing:

(a) KSPDC has authority under Kansas law to execute and perform this Agreement, and that this Agreement and its performance does not contravene or violate any other agreement, instrument, law, ordinance, court order, or governing instrument, or cause a default thereunder, which would materially impair the obligation of KSPDC hereunder.

(b) The individuals signing this Agreement and all other documents executed or to be executed pursuant hereto on behalf of KSPDC shall be authorized to sign the same on KSPDC's behalf and to bind KSPDC thereto.

(c) The Deed Restrictions imposed on the Donation Property shall not prohibit the sale or transfer of the Donation Property by KU, subject to KU's obligation to use the Donation Property consistent with the Deed Restrictions.

(d) In the event that the First Closing Date shall fail to occur on or prior to the Termination Option Date, and KU or KSPDC elect to terminate this Agreement, KU's rights to receive the Application Property are not intended to be prejudiced thereby; therefore, KSPDC will not take any action which jeopardizes KU's rights, if any, to the Application Property and will take all reasonable actions requested by KU to affirm KU's receipt and use of the Application Property, to the extent approved and as contemplated in KU's Transfer Application to the Government.

10. **Covenants, Warranties and Representations of KU.** KU hereby covenants, warrants and represents to KSPDC and OEC as follows, and KSPDC and OEC do rely on the following covenants, warranties and representations:

(a) KU warrants that it has the authority to execute this Agreement and perform the terms hereof; that this Agreement and its performance does not contravene or violate any other agreement, instrument, law, ordinance, court order or governing instrument, or cause a default thereunder which would impair the obligations of KU hereunder.

(b) The individuals signing this Agreement and all other documents executed or to be executed pursuant hereto on behalf of KU shall be authorized to sign the same on KU's behalf and to bind KU thereto.

(c) Until the earlier of the expiration of this Agreement or the First Closing Date, KU agrees that it will not seek to acquire other real property in the SFAAP.

(d) KU shall execute such documents as may be necessary and withdraw any applications or back-up applications (other than the Transfer Application in accordance with this Agreement) that may be pending for property at SFAAP and will give notice to KSPDC and OEC of any matters affecting KU's rights or interests in the Application Property, the Transfer Application and KU's ability to withdraw the Transfer Application, of which KU has knowledge.

(e) KU has obtained, from KSPDC or other parties, the reports and information identified on Schedule 10(e) hereto with regard to the environmental condition of the Donation Property.

11. Covenants, Warranties and Representations of OEC. OEC hereby covenants, warrants and represents to KSPDC and KU as follows, and KSPDC and KU do rely on the following covenants, warranties and representations:

(a) OEC is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. OEC is duly qualified to do business and is in good standing as a foreign corporation in the State of Kansas.

(b) OEC has the corporate power, authority and legal right to execute, deliver and perform this Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance of this Agreement by OEC have been duly authorized by all necessary corporate and shareholder action. The execution and delivery of this Agreement and the consummation of the transactions herein contemplated will not contravene or violate the articles of incorporation or bylaws of OEC. This Agreement has been, and the other agreements, documents and instruments required to be delivered by OEC in accordance with the provisions hereof will be, duly executed and delivered on behalf of OEC by duly authorized officers of OEC, and this Agreement and any other documents to be delivered by OEC pursuant hereto will constitute the legal, valid and binding obligations of OEC, enforceable against OEC in accordance with their respective terms.

(c) The execution, delivery and performance of this Agreement by OEC does not and will not violate, conflict with or result in the breach of any term, condition or provision of, or require the consent of any other person under, (i) any existing law, ordinance, or governmental rule or regulation to which OEC is subject, (ii) any judgment, order, writ, injunction, decree or award of any court, arbitrator or governmental or regulatory official, body or authority which is applicable to OEC, or (iii) the articles of incorporation or bylaws or any securities issued by OEC. No authorization, approval or consent of, and no registration or filing with, any governmental or regulatory official,

body or authority is required in connection with the execution, delivery or performance of this Agreement by OEC.

(d) OEC has complied with each, and is not in violation of any, law, ordinance, or governmental or regulatory rule or regulation, whether federal, state, local or foreign, to which OEC's business, operations, assets or properties is subject ("**Regulations**"). OEC owns, holds, possesses or lawfully uses in the operation of its business all franchises, licenses, permits, easements, rights, applications, filings, registrations and other authorizations ("**Authorizations**") which are in any manner necessary for it to conduct its business as now or previously conducted or for the ownership and use of the assets owned or used by OEC in the conduct of the business of OEC, free and clear of all restrictions and in compliance with all Regulations. OEC is not in default, nor has it received any notice of any claim of default, with respect to any Authorization. None of such Authorizations will be adversely affected by the consummation of the transactions contemplated hereby.

(e) Except as otherwise disclosed on Schedule 11(e) hereto, no litigation, including any arbitration, investigation or other proceeding of or before any court, arbitrator or governmental or regulatory official, body or authority is pending or, to the best knowledge of OEC, threatened against OEC or which relates to the assets of OEC or the transactions contemplated by this Agreement, nor does OEC know of any reasonably likely basis for any such litigation, arbitration, investigation or proceeding, the result of which could adversely affect OEC, its assets or the transactions contemplated hereby. OEC is not a party to or subject to the provisions of any judgment, order, writ, injunction, decree or award of any court, arbitrator or governmental or regulatory official, body or authority which may adversely affect OEC, its assets or the transactions contemplated hereby.

(f) The Kansas Department of Health and Environment ("**KDHE**") will, as a condition of the approval by the Governor of the State of Kansas of the early transfer of SFAAP pursuant to 42 U.S.C. 9620(h)(3)(C), impose a compliance order of consent (the "**Consent Order**") upon OEC, a copy of which is attached hereto on Schedule 11(f) and incorporated herein by reference. OEC will obtain title to the Donation Property from KSPDC and will be required to comply with all terms and conditions of the Consent Order. It is anticipated that the Consent Order will require all necessary remediation of contamination of SFAAP, including upon the Donation Property. OEC agrees to remediate the Donation Property to a standard required by KDHE.

(g) OEC will perform all acts required of it in this Agreement in good faith and with all deliberate speed, performing such other acts which may be reasonably necessary to carry out the spirit and intention of this Agreement.

(h) In the event that the First Closing Date shall fail to occur on or prior to the Termination Option Date, and KU or KSPDC elect to terminate this Agreement, KU's rights, if any, to receive the Application Property are not intended to be prejudiced thereby; therefore, OEC will not take any action which jeopardizes KU's rights, if any, to the Application Property and will take all reasonable actions requested by KU to affirm

KU's receipt and use of the Application Property, to the extent approved and as contemplated in KU's Transfer Application to the Government.

(i) OEC will, prior to taking title to the Donation Property, provide to the state of Kansas or its subsidiaries, prepaid third-party financial guarantees sufficient in form and amount to ensure full and complete remediation of all the land to which the Consent Order is applicable, as required by the Consent Order. As a partial fulfillment of these financial guarantees, OEC will obtain pollution legal liability insurance in the minimum amount of \$50,000,000 that covers the Donation Property and other property at the SFAAP, which insurance names the State of Kansas or its subsidiaries as additional insureds.

(j) Upon the execution of this Agreement, OEC will protect the Donation Property from encroachment by persons employed by OEC or its subcontractors, lessees, or other affiliated companies engaged in developing the SFAAP and will authorize no activities that will cause contamination of the existing soils, vegetation, or infrastructure of the Donation Property. Notwithstanding anything set forth above, the parties hereby agree that OEC's remediation contractor, officials from KDHE, and officials from the Environmental Protection Agency may enter the Donation Property for the purpose of remediating and/or monitoring such remediation up until the Final Closing Date.

(k) OEC will not permit the removal or destruction of the existing fences which are the common property lines between SFAAP and the Donation Property.

(l) OEC will notify KU no less than 30 days in advance of commencing any work which could produce vibration or percussion in the subsurface rock strata which underlies the SFAAP and the Donation Property. OEC will install seismic monitoring equipment to record subsurface vibrations produced as the result of eventual construction activity. KU is willing to share geological data, which has been accumulated on SFAAP, which it has acquired through conditional deed transfers from the DOE.

12. **Indemnification by OEC.**

(a) ***Indemnification.***

(i) ***Indemnification of KSPDC.*** OEC, for itself and its successors and assigns (hereinafter defined), does hereby agree to indemnify and hold harmless KSPDC and the officials, board members, officers, agents, attorneys, independent contractors and employees thereof (each, a "**KSPDC Indemnified Party**"), from any and all loss, costs, claims, damages or liability (including but not limited to all reasonable attorneys' fees and litigation costs) incurred or sustained by a KSPDC Indemnified Party as a result of, or in any way related to or in defense of, any claims asserted against the KSPDC Indemnified Party based upon (A) KSPDC's execution of and performance under the terms of this Agreement, or (B) any breach or violations by OEC of any of the terms and provisions of this Agreement, including but not limited to, any breach by OEC of any of its covenants, warranties and representations in this Agreement, unless such losses,

costs, claims, damages or liability are incurred or sustained as a result of the gross negligence or willful misconduct of the KSPDC Indemnified Party.

(ii) *Indemnification of KU.* OEC, for itself and its successors and assigns (hereinafter defined), does hereby agree to indemnify and hold harmless the Regents, KU and the officials, board members, officers, agents, attorneys, independent contractors and employees thereof (each, a “**KU Indemnified Party**”), from any and all loss, costs, claims, damages or liability (including but not limited to reasonable attorneys’ fees and litigation costs) incurred or sustained by a KU Indemnified Party as a result of, or in any way related to or in defense of, any claims asserted against the KU Indemnified Party based upon (A) environmental liability arising as a result of environmental conditions in existence on the Donation Property at the time of its transfer to the Regents for the benefit of KU but only if/and to the extent OEC or its successors and assigns have obtained one or more insurance policies which provide coverage for such environmental liability (i.e., OEC shall have no personal liability whatsoever pursuant to this Section 12(a)(ii) and furthermore, OEC shall have no obligation to indemnify KU beyond its receipt of insurance proceeds for such environmental liability); or (B) any breach or violations by OEC of any of the terms and provisions of this Agreement, including but not limited to, any breach by OEC of any covenant, warranty or representation in this Agreement, unless such losses, costs, claims, damages or liability are incurred or sustained as a result of the gross negligence or willful misconduct of the KU Indemnified Party.

(b) *Notice by Indemnified Party.* In the event that any claims asserted against a KSPDC Indemnified Party or KU Indemnified Party (an “**Indemnified Party**”) which are alleged by such party to be covered by the undertaking of OEC hereunder shall arise:

(i) The Indemnified Party shall promptly notify OEC of the assertion of any claim. Further, the Indemnified Party and its counsel shall cooperate with OEC and its counsel in the defense of any such matter.

(ii) Provided OEC has satisfied the provisions herein and provided, further, that OEC is not otherwise in default of any provision of this Agreement or the Property Identification Agreement or any other related agreement which default is material or is otherwise directly related to the claim, the Indemnified Party shall not enter into any settlement of such claims without first (i) notifying OEC of such proposed settlement and (ii) obtaining OEC’s approval of the same. In the event that the Indemnified Party shall settle any such claim without the approval of OEC, any financial consideration paid or liability undertaken or assumed in any such settlement shall not be the responsibility of OEC hereunder so long as: (A) OEC had promptly advised the Indemnified Party in writing that OEC was prepared to pay for the defense of such claims pursuant to Section 12(a) above; (B) OEC has sufficient financial resources, or has deposited sufficient reserves or security with the Indemnified Party to fulfill its obligations to indemnify and hold harmless the Indemnified Party hereunder; and (C) OEC was

proceeding or evidenced its intent to proceed in good faith to contest such claim in accordance with its responsibilities hereunder.

(c) ***Term of Indemnification Obligation.*** KSPDC, KU and OEC agree that the indemnification by OEC of the Indemnified Parties pursuant to this Agreement shall cover any claims asserted within a period of twenty (20) years from the date of the Final Closing hereunder, but such indemnification shall be extinguished and made null and void thereafter.

(d) ***Waiver of Claims Against Indemnified Parties.*** OEC on its behalf, and on behalf of its successors and assigns, does hereby waive any and all claims against the Indemnified Parties related to any losses, costs, claims, damages or liabilities (including but not limited to reasonable attorneys' fees and litigation costs) incurred or sustained by OEC by reason of any action or event (i) described in 12(a) above; (ii) arising out of the execution and performance of this Agreement, or (iii) arising out of the conveyance of the Donation Property by OEC to KU, unless such losses, costs, claims, charges or liabilities are incurred or sustained as a result of the gross negligence or willful misconduct of the Indemnified Party.

(f) ***"OEC and its Successors and Assigns."*** For purposes of this Section 12, the phrase "OEC and its successors and assigns" shall mean OEC and any entity owned or controlled, directly or indirectly, by or affiliated with OEC.

13. **As Is.** KU agrees and acknowledges that the Donation Property is being transferred "AS IS, WHERE IS" with all faults and without representation or warranty with respect to physical or environmental condition, merchantability or fitness for a particular purpose and without any other warranty or representation whatsoever by OEC, except as specifically provided herein.

14. **Insurance.** OEC shall maintain policies of insurance in the form attached hereto as Schedule 14 for a period of twenty (20) years. OEC shall require that KU and the Regents be named as an additional insured in such policies.

15. **Notices.** Any notice or other communication to be given under this Agreement shall be in writing and may be given by hand delivery, or by United States certified or registered mail, by telegram or telex or by facsimile or overnight courier.
